We hereby declare that,
the remote-receiver defined below, due to its conception and construction as well as the design marketed by us meets the relevant fundamental health and safety requirements prescribed by the EU directives stated below.
Any modification of the remote-receiver not approved by us will result in this declaration becoming invalid.

- Low Voltage Directive (2006/95/EC)
- Electromagnetic Compatibility Directive (2004/108/EC)
- R&TTE Directive 1999/5/EC
- RoHS Directive 2002/95/EC

Product designation: Radio-receiver BiRec LED-48V

Product description: Remote-receiver BiRec LED-48V for bidirectional and unidirectional communication between dispatcher and receiver to control products all around the patio.

Year built: 2016

The electrical characteristics of the remote-receiver can be found on the name plate and in the technical documents relating to the radio switchable socket.

Date / Manufacturer's Signature:

Cologne, 2016-01-02
